All people deserve to be safe.

All people deserve to be equal.

But some people are not treated fairly  
because of the color of their skin.

People across the world are working together to change this.

world

It is called #blacklivesmatter

There are protests.

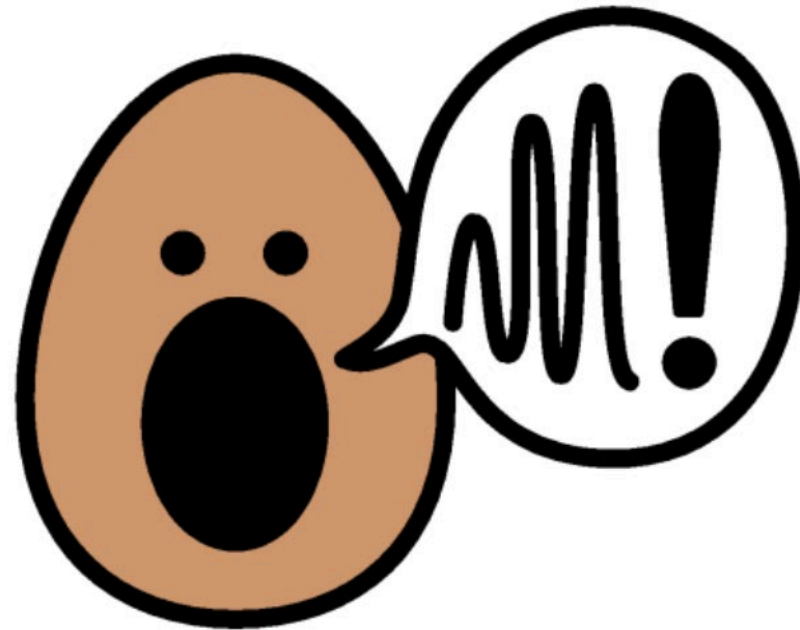

People are shouting, Black Lives Matter.

The protests are for George Floyd, a Black man who was killed because of the color of his skin.

The protests are working to stop racism.

I can understand this, because I want to be treated equally, even though I have a disability.

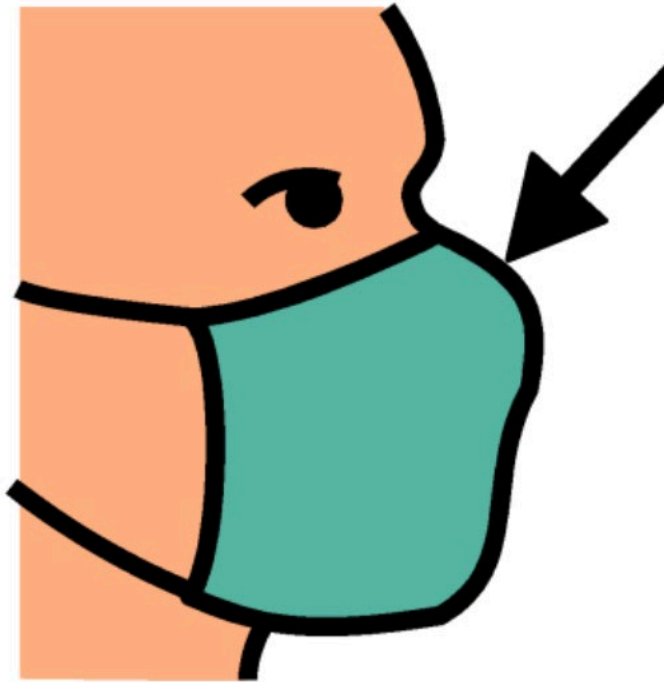

If I choose to participate in a protest, I have to remember to be safe.

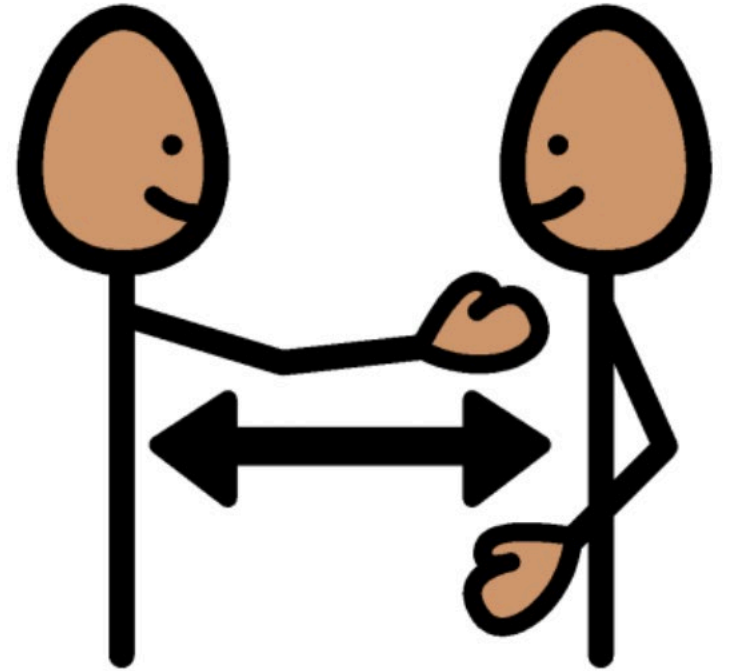

Wear a mask. Wash your hands. Stay socially distance.

Black Lives Matter is an important movement.

I want everyone to be treated equally.

Everyone wants to exercise, work, and have fun safely.

Everyone wants to be able to get help from the police when they need it.
